

Chemical Inventory Confirmation

Complete the form below to confirm that you have conducted a physical chemical inventory and have updated the [online chemical inventory](#), if necessary. For more information, refer to the [chemical inventory webpage](#).

Your Name:

Your E-mail Address:

Responsible Party:

Responsible Party's E-mail:

Department:

Building:

***Other:**

(Building, if not listed above)

Room(s):

**Has your chemical inventory changed by
more than 10%?
*(from last update)***

Yes

No

Do you have any [regulated carcinogens](#)?

Yes

No

8 CCR 5203 requires reporting the use of regulated carcinogens to the Division of Occupational Safety and Health Administration (Cal/OSHA). **Report within 15 calendar days** prior to any initial use and changes (in location, use, additions, or deletions) of carcinogens in your workplace. For more information, please refer to the [Carcinogen Safety webpage](#).

What regulated carcinogens are you using?

1,2 dibromo-3-chloropropane (DBCP) (CAS 96-12-8)

1,3-butadiene

2-acetylaminofluorene (CAS 53-96-3) [Listed]

3,3'-dichlorobenzidine (and its salts) (CAS 91-94-1) [Listed]

4,4-methylenebis (2-Chloroaniline) (CAS 101-14-4)

4-aminodiphenyl (CAS 92-67-1) [Listed]

4-dimethylaminoazobenzene (CAS 60-11-7) [Listed]

4-nitrobiphenyl (CAS 92-93-3) [Listed]

acrylonitrile (CAS 107-13-1)

alpha-naphthylamine (CAS 134-32-7) [Listed]

arsenic, inorganic (CAS 7440-38-2)

asbestos (CAS 1332-21-4)

benzene (CAS 71-43-2)

benzidine (and its salts) (CAS 92-87-5) [Listed]

beta-naphthylamine (CAS 91-59-8) [Listed]

beta-propiolactone (CAS 57-57-8) [Listed]

bis-chloromethyl ether (CAS 542-88-1) [Listed]

cadmium

chromium (VI)

coke oven emissions

ethylene dibromide (EDB) (CAS 106-93-4)

ethylene oxide (CAS 75-21-8)

ethyleneimine (CAS 151-56-4) [Listed]

formaldehyde (CAS 50-00-0)

methyl chloromethyl ether (CAS 107-30-2) [Listed]

methylene chloride

methylenedianiline

N-nitrosodimethylamine (CAS 62-75-9) [Listed]

N-asbestiform tremolite, anthophyllite, and actinolite

non asbestiform tremolite, anthophyllite, and actinolite

vinyl chloride (CAS 75-01-4)

None of the above. I am not currently using regulated carcinogens.

I confirm that I have conducted a chemical inventory and have entered necessary information via the chemical inventory database for the room(s) listed above. by submitting this form, I confirm that my chemical inventory has been completed.
