

- UC Radiation is a web based application to manage radiation use within a lab or at the campus level.
- **Log In**
 - Go to: www.ehs.ucop.edu/radiation
 - Enter **campus ID and password**
- This will take you to your **Homepage** as a researcher
 - You will have access to three main functions:
 - By selecting **Inventory Home** you can:
 - Access your inventory
 - See decay calculations
 - Use material
 - Dispose of material
 - By selecting **Amend UA**:
 - Amend any of your approved radiological use authorizations
 - By selecting **Apply UA**:
 - Apply for a radiological use authorization
 - You can also see a list of all your recent activities related to the RUAs on the homepage Left Panel

The screenshot shows the UC Radiation application interface. At the top, there is a navigation bar with "UC Safety" and "Radiation" tabs, and a user profile icon. Below the navigation bar, a large blue banner displays "Welcome to UC Radiation, Yashesh". Underneath the banner, there is a "Recent Activity" section with a notification icon. The activity list shows a draft RUA-9122 with the date 11/03/2016 and the note "You are the responsible person of this use authorization." Below the activity list, there are three prominent buttons: "Inventory Home" (with a house icon), "Amend UA" (with a pencil icon), and "Apply UA" (with a plus icon).
