What Students at UCR Need to Know

We’re excited you chose UCR! This campus is a great place to be, and we want all memories of your student life to be positive. This page will give you some ideas about how UCR students can contribute to a safe and healthy environment for everyone on campus.

Your Responsibilities
UCR Students have the following responsibilities:
- Review UCR’s emergency procedures
- Report hazardous conditions and releases to the environment
- Be familiar with UCR policies and Environmental Health and Safety programs that address potential hazards
- Follow all environmental health and safety procedures

We want the UCR community to be safe and healthy. Please contact us by email at ehs@ucr.edu or by phone at (951) 827-5528 with suggestions to make this page more useful for you.
