When Do You Return To Campus?

If you have been in close contact with someone with COVID-19; Asymptomatic (quarantine)

- Fully vaccinated: Exempt from quarantine
- Unvaccinated: 10 days after the last known close contact to a COVID-19 case

If you have a COVID-19 Positive Test Result (isolation)

<table>

<tr>
<th>Symptomatic</th>
<th>Asymptomatic</th>
</tr>
</thead>
<tbody>
<tr>
<td>• At least 10 days have passed since COVID-19 symptoms first appeared, <strong>AND</strong></td>
<td>• A minimum of 10 days after the specimen was collected for the first positive COVID-19 test</td>
</tr>
<tr>
<td>• At least 24 hours have passed since a fever of 100.4°F or higher has resolved without the use of fever-reducing medications, <strong>AND</strong></td>
<td></td>
</tr>
<tr>
<td>• Symptoms have improved*</td>
<td><strong>AND</strong></td>
</tr>
<tr>
<td>*Loss of taste or smell may persist for weeks or months after recovery and need not delay the end of isolation</td>
<td></td>
</tr>
</tbody>
</table>

Employees may be required to provide a release to return to work note from a licensed medical physician or Department of Public Health before returning to work.

A negative COVID-19 test shall **NOT** be required for a COVID-19 case to return

Return to campus must be coordinated with your department Human Resources Business Partner (HRBP).

POSITIVE TESTS, EXPOSURE & SYMPTOMS must also be reported to the COVID-19 Wellness Hotline (844) 827-6827 immediately to meet reporting requirements.

Reference: Cal/OSHA 8 CCR 3205.

TRAVEL

**Fully Vaccinated**

**Domestic:** May return to work. Self-monitor for COVID-19 symptoms; isolate and get tested if you develop symptoms.

**International:** Get tested with a viral test 3-5 days after travel. If test results are positive, isolate from others. Self-monitor for COVID-19 symptoms; isolate and get tested if you develop symptoms.

**Unvaccinated**

**Domestic/International:** Get tested with a viral test 3-5 days after travel **AND** stay home and self-quarantine for 7 days, regardless of test results. If you don’t get tested, stay home and self-quarantine for 10 days after travel. Self-monitor for COVID-19 symptoms; isolate and get tested if you develop symptoms.
